Madison County Department of Public Works

Chuck Faulkner, P.E.
Director of Public Works
County Engineer

January 1, 2020

To Whom It May Concern:

RE: Inquiry Regarding Property Located in Madison County, Alabama

Madison County enforces the following regulations within the unincorporated areas of Madison County, Alabama:

1. Madison County Subdivision Regulations
2. Building Codes adopted by the Madison County Commission (Commercial and Residential)
3. Madison County Flood Damage Prevention Ordinance.

These documents may be viewed at the Madison County Department of Public Works Facility and electronic versions are available on Madison County's website at www.madisoncountyal.gov .

It is the responsibility of the property owner to abide by each of these laws with regard to the specific activities under consideration.

Best Regards,

Chuck Faulkner, P.E.
Director of Public Works
County Engineer
