

## Madison County Department of Public Works

Chuck Faulkner, P.E.  
Director of Public Works  
County Engineer

January 1, 2019

RE: Inquiry Regarding Property Located in Madison County, Alabama

To Whom It May Concern:

In the unincorporated areas of Madison County, Alabama, Madison County enforces the following regulations:

1. Madison County Subdivision Regulations
2. Madison County Building Codes (Commercial and Residential)
3. Madison County Flood Damage Prevention Ordinance.

Copies of these laws are available from the Madison County Department of Public Works and can be found on Madison County's website: {[www.madisoncountyal.gov](http://www.madisoncountyal.gov)}

Please review the applicability of each of these laws with regard to the specific activities under consideration. It is the responsibility of the property owner to abide by each of these laws, as applicable.

Sincerely,

A handwritten signature in blue ink, appearing to read "Chuck Faulkner".

Chuck Faulkner, P.E.  
Director of Public Works  
County Engineer
